1105 – 1155 hrs SESSION I - INDIA @ RISK

India is steadily progressing towards becoming an economic superpower, indicated by the high GDP growth rates. However, in spite of rapid economic growth, indicators show that economic development has not fully translated into social development.

Six issues have been identified by CII and the Global Risk Network of the World Economic Forum as being critical to the future of India, in terms of the likelihood of their occurrence and/or in terms of the severity of their impact. This session will provide an overview of the six risks.

1105 – 1120 hrs	Opening remarks and Lead presentation by Session Chairman	Arun Maira Chairman The Boston Consulting Group

1420 – 1450 hrs SESSION II – Yi YOUTH AFFAIRS

Yi Youth Affairs is the most active focus area in Yi. The objective of the Youth Affairs program is to create a bridge, a platform for the students to work in cross-functional teams with a broad objective of giving back to the nation. Yi currently has over 3000 students from 35 educational institutions across the country as part of the "Yi Student Nets". 3 Teams of 5 -6 students will present possible solutions to global warming.

1500 – 1630 hrs SESSION IV – PANEL DISCUSSION – INCLUSIVENESS OF YOUTH IN NATION BUILDING

Inclusive growth is necessary for sustainable development and equitable distribution of wealth and prosperity. It has become imperative to create inclusive projects to integrate India's socially and economically backward sectors into the mainstream economy. The role of youth in creating this equitable and inclusive growth cannot be over emphasized.

The session would seek to create a framework for inclusive growth; specifically focusing on the role of youth in bridging divides caused due to polarized growth, deliberate on the challenges and share experiences

Session Moderated by:

Shereen Bhan, Delhi Bureau Chief and Associate Editor (Political Affairs) of CNBC-TV18
